

# HAT TRICK FOR READING

The Gwinnett Gladiators "Hat Trick for Reading" Program returns for its 12th season and is designed to help stimulate interest in reading among local Elementary and Middle School-aged children.

Each student that "scores a Hat Trick" and completes the program will be presented an award certificate that can be redeemed for one (1) complimentary End Zone seat to the Gladiators "Hat Trick for Reading" Nights presented by Georgia United Credit Union. The certificate (voucher) will also allow the purchase of up to eight (8) additional End Zone seats for only \$10 each (day of game walk up price \$18). Award certificates must be redeemed at the Arena Box Office in advance or on the night of the game.

"Scoring a Hat Trick" will involve the reading of three books that have been approved by your child's school programs. For more information, please contact your child's school or the Gwinnett Gladiators at 770-497-5100.
